## WORSHIP FAQs...

**SINGING?** When we gather, we love to use music as a tool to engage our hearts & minds in praising and honoring our mighty God. Music & corporate singing communicate unity and express how much we value each other and our amazing God and Savior Jesus, so, join in with us!

**COMMUNION?** - each Sunday this small memorial meal is offered for those who follow Jesus and want to remember His death for our sins on the cross. To participate, simply take a piece of the bread and dip it into the juice at your own pace, remembering Jesus' body and blood that was given for us.

**GIVING/OFFERING?** – part of following Jesus includes generosity, so, if you are a follower and have a financial gift, please put that offering in the baskets near the communion meal. *If you are part of Dallas Church, please help financially support what God is doing here and be invested in ministry!*
